

# Day 2

# Honesty . . . The Real YOU

We are going to look at the first area of honesty over the next few days, and that is honesty with ourselves. This is the beginning of all truth where we can be completely honest internally because nobody knows what is being said. There is no judgement or consequence, it is just simply where we look in the mirror and see what is really there.

This sounds simple, doesn't it? But it takes a willingness to simply say what is there and acknowledge the unfiltered and unmanipulated truth. We can NEVER change unless we are able to do this, so it really is the hand that starts the ball rolling. This is the place where we identify and examine what we can approach God with and give to Him. He always responds to truth and authenticity, so we need to give Him the reality of what is within without fibs, exaggerations or out there lies about who we are.

“ “

Whatever you give is acceptable if you give it eagerly and give according to what you have, not what you don't have

2 Corinthians 8 v 12 (NLT)

” ”

We need a relationship with ourselves, so we can accurately prepare to go to God with the very best we have to give to Him, and that is always the real us even if it is ugly! Sometimes we run to God eagerly without evaluation and a truthful heart, and this can be a difficult process for us because we do not have clear, honest and truthful insight into what is really happening inside our heart.

“ “

Heal the sick, raise the dead, cleanse those who have leprosy, drive out demons. Freely you have received; freely give.

Matthew 10 v 8 (NIV)

” ”

The question is, are you willing to do this and not create false representations of your intentions, feelings, motives and unsaid things? Is your life and your heart the same, or are there discrepancies because you have not been honest? This is where the journey begins in the innermost depths of our hearts.

## Dig Deep 2

Lord, I choose now to talk to you about honesty and I want to give to you now the reasons behind why I am not always honest. Right now, in  
Your name I give to you . . .

(Write below what your reasons to not be honest are. Then meditate on these things in the areas mentioned)

	ME	GOD	OTHERS
1. _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2. _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3. _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4. _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
5. _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

The list above is a great tool when you need to be honest. If you look back at it, it can help you to pray and approach God or others and can facilitate our honesty that will contribute to the building of good things.
