Clannad English Dubbed 720p. President Trump on Monday put the finishing touches on a tax package that he says will boost workers' wages by \$4,000 and cut the corporate tax rate to 20 percent, a big win for a commander in chief who has resisted efforts in Congress to overhaul the tax code. Calling the plan "a big, beautiful Christmas present" for families and businesses, the president signed the measure in a White House ceremony that he said would deliver on promises made to voters during his 2016 campaign. Trump said the tax cuts would be "one of the biggest tax cuts in the history of our country." The new law would cut the corporate tax rate to 20 percent from 35 percent, slash the top individual income-tax rate from 39.6 to 37 percent, create a standard deduction of \$24,000 for individuals, \$48,000 for couples, and repeal the alternative minimum tax, which was created decades ago to prevent taxpayers from cheating. Under the new law, individuals who file their taxes on a single form could deduct \$10,000 in personal-property expenses, down from the current \$17,500, and deductions for expenses such as mortgage interest would be capped at \$500,000, down from \$1 million. "This big, beautiful Christmas present for Main Street represents a historic victory for the forgotten men and women of our country," Trump said. White House Press Secretary Sean Spicer said the law will be projected to generate \$1.5 trillion in new economic growth over the next decade. He said the tax bill will "put more money in the pockets of hardworking Americans" by providing "an immediate cut in the corporate tax rate, while delivering a permanent 20 percent corporate tax rate." The Senate unanimously passed the measure last month on a party-line vote, with all Democrats opposed. The House approved the tax package on Dec. 13 on a 227-203 vote. The new law, which will be "fully paid for" by stopping some unspecified tax breaks, will be presented to the public as a \$1.5 trillion tax cut with \$1 trillion in cuts and \$1 trillion in new tax revenue, Spicer said. Republicans began
