The Image of Ireland It is the world's last remaining large island of grasslands and forests. This is a place where untouched forests still stand, where wild horses roam and rivers flow. However, the people had not forgotten their powerful ancestral spirit or their will to live. In the south, an intelligent tribe called the Irish existed, and they achieved a slight level of civilization. However, their ancient myths and legends were lost, and they had to develop the old traditions anew. 2.2 The Iryllir 2.2.1 Historical Background The Iryllir are the descendants of the ancient Iryllir, the indigenous people of the island. They are the typical Celtic people with their blue eyes and red hair. Over a period of thousands of years, they have preserved their ancient traditions. 2.2.2 In-game In the empire of the underworld, there is a demon called Ares. The god of war was defeated by the goddess Athena and bound by the goddess into
