Samsung smartphones: every model for every reason (PSA) For simple people, they don't usually get me wrong. But all the time, I'm saying things that 1/2 the time, you all know how I feel. But this video is for all of those people who all the time ridicule the differences between smartphones (and most likely use the same phones as a carrier). Did you know you can have complete control over your screen's colour temperature. You can have any colour that you want! I know I might not be able to speak on this topic because I chose to focus on (or at least learn) about the Samsung smartphone lineup. If you want to thank me for the work I do, it's very appreciated.
