In stock: No Manufacturer: Oregon Scientific About Brand Oregon Scientific has been on the world market since 1989. It all began in a small town in Wichita, Kansas, USA. Oregon Scientific now owns its own production, scientific and research centers in the United States and China. In 1996, Oregon Scientific launched its first in-house science project. That year, Oregon Scientific won the "Project of the Year" award in the "Best Business Project" category in the United States. In 1999, Oregon Scientific opened the Oregon Scientific Innovation Lab in Europe, with its own design bureau and research department. In July 2001, Oregon Scientific was represented in Russia for the first time. In June 2002, Oregon Scientific opened a representative office in China. In 2005, Oregon Scientific introduced a new product line to the Russian market - electronic thermometers. In July 2005 Oregon Scientific presented a new series of UTB electronic thermometers. In March 2006 Oregon Scientific began manufacturing UBF series electronic thermometers. In July 2007, Oregon Scientific launched another production line - Oregon Scientific CLEARANCE. In 2006, Oregon Scientific developed a new series of baby monitors (RHM).
